The screenshot shows the 'Introduction to World Athletics eLearning' interface. At the top, there are navigation links for 'Explore', 'Search', 'Stamps', and 'Library'. A 'Copy link' button is located in the top right corner. Below the navigation, a section titled 'Modules' displays eight thumbnail images of athletes in action, each representing a different track and field discipline: 100m, 200m, 4 x 100m relay, High Jump, 110m Hurdles, Hurdle Races, Pole Vault, and 1500m. Each thumbnail includes a progress indicator showing 'Started lessons 2 / 24'. A large yellow 'Watch on YouTube' button is positioned below the modules. At the bottom, a prominent 'Welcome to World Athletics ELearning:' message is displayed.
